### CORRESPONDENCE

Inwards: Nil

Outwards: Nil

### 3 WASTE MANAGMENT & MINIMISATION PLAN

Harry Robinson, Solid Waste Manager, Central Hawkes Bay District Council spoke about the draft Waste Management & Minimisation Plan. Submissions are currently open with hearing on 29<sup>th</sup> August 2019. Members were encouraged to share information with their clients and networks, visit one of the pop up consultation events or find more information on councils website. Harry is available to take groups on trips to the landfill.

### 4 TRANSFER STATION RECYCLING CONTAINER UPGRADE

Harry and Christine outlined a proposed upgrade of the recycling containers at the Waipukurau and Waipawa transfer stations. the proposal is to raise the opening for inserting higher up the container which will allow a greater quantity of material to be put into the container before it needs emptying. the proposal is that the opening will be accessed via steps and a platform which will be put alongside the container.

Concerns from the group included:

- Worried people would slip on steps
- Glass cuts– potential risk is slot is below eye line
- Access onto platform – hard for some older people with limited mobility

- Hard for older people to carry their recycling up onto a platform
- Ideas from Positive Ageing Members
- Sink contain into the group which will eliminate need for steps and platform

## **5 POSITIVE AGEING WORKPLAN**

The completed Positive Ageing workplan was distributed and discussed. The plan was endorsed by the group. Mov Faith Sec Jeanette
